LANGUAGE

- English (Basic)
- Urdu (Fluent)

EXPERIENCE

Vu Software House (Internship)
Lahore- Lawrance Road
2022 - 2023

FrontEnd Development

- Experienced Front-end Developer skilled in **HTML, CSS, Bootstrap, JavaScript**, and beginner-level **React**. Key contributor to the **Synopsis and Thesis Management System (STMS)**, enhancing document management and user experience. Collaborative team player, adept at implementing responsive and interactive interfaces.

Manual & Automation Testing (Selenium JS)

- Expert in creating robust **test cases, bug reports**, and clear documentation. Proficient in **Selenium with JavaScript** for automation testing, reducing manual efforts and improving product quality, especially in the STMS project.

Figma Expert (Graphic Designer)

- Utilizes **Figma** for collaborative design work, ensuring visually stunning interfaces aligned with branding guidelines. Specialized in **wireframing, prototyping, and user research** to guarantee an excellent user experience.

Bitstorm Solutions
Gujranwala Model Town
December 2023 - Continued

Full Stack Development

- Just commenced my journey as a **Full Stack Developer**, focusing on **PHP and Laravel**. Currently gaining hands-on experience in crafting server-side applications, learning efficient database design, and navigating the interfaces of server-side logic. Enthusiastically tackling challenges, organizing code with Laravel's **MVC**, and eager to grow within a collaborative team.

EDUCATION

Virtual University of Pakistan
BS Software Engineering
2019-2023
